iCARE PLUS PLAN

iCARE PLUS is a service, which provides you with a complete range of after market product and consumables delivered to your door prior to replacement time.

A Milfos representative will visit and evaluate your farm dairy. Full lists of replacement items are documented.

A replacement schedule is formulated and costed, this allows you to budget for your maintenance and replacements.

THE SERVICE INCLUDES ITEMS SUCH AS:

- Cluster parts
- Liners
- Tubing
- Airline filters
- Milk filters
- Detergents
- Teatsprays
- Vacuum pump oil
- Pipeline seals
- Milk pump parts
- Automation spares
- Cluster washers
- Plus many other items

A preferential discount rate is negotiated so that you can be assured of the best deal every time.

iCARE PLUS makes it easy for you to get on with more important tasks, while we take care of the replacements and supplies for you.
