

JETTER TUBS

Milfos has a range of quality plastic and stainless steel wash tubs.

PLASTIC TUBS

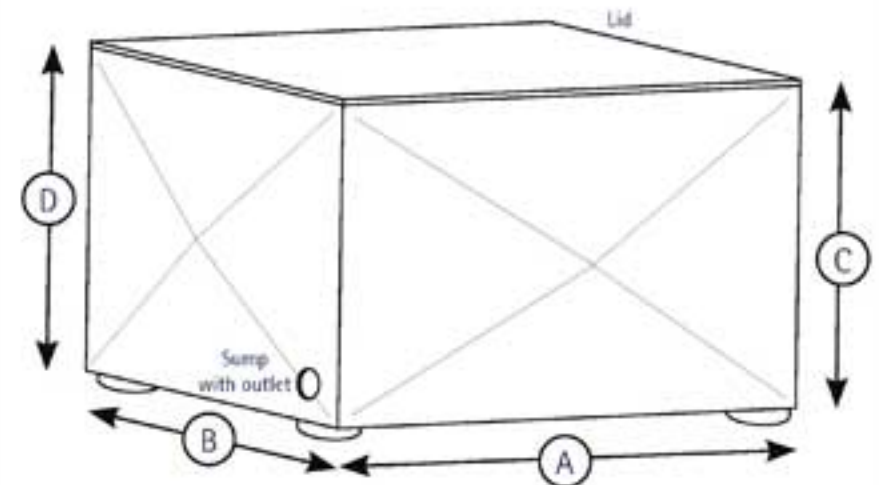

- Rotationally moulded plastic body and removable lids
- Sizes range from 240 to 430 litres
- Supplied with galvanised support frame

STAINLESS STEEL TUBS

- High quality stainless steel construction
- Sizes range from 400 to 1200 litres with other sizes made on request
- Fabricated with drain sump
- Includes 2 x 1½ inch BSP outlet

JETTER SUCTION SCREEN

- Milfos recommend the use of jetter suction screens to prevent contaminants being sucked into the washing system and blocking jetter ports causing potential hygiene problems
- Available to suit 38, 50 or 63mm jetter suction lines

CAPACITY (litres)	A	B	C	D
400	1180	650	680	580
600	1180	750	800	700
750	1300	850	800	700
